District 86 Alignment Report 2023-2024

The Mission:

As per Article XI Section d of Toastmasters International's Governing Documents, each year, the District must review, and amend, if needed, the alignment of clubs, Areas, and Divisions within its boundaries. The District Director shall appoint an Alignment Committee chair and committee members. The Alignment Committee prepares an alignment proposal and provides the proposal to the District Executive Committee for review before the District Council reviews and approves the final alignment at its Annual Meeting. Once approved, the District alignment is submitted to World Headquarters by July 15.

The Goal of the District Alignment Committee:

As per Article II of the [Governing Documents](#), The purpose of a District is to enhance the quality and performance of its Member Clubs, and extend the network of the Member Clubs of Toastmasters International within the boundaries of the District, thereby offering greater numbers of people the opportunity to benefit from the Toastmasters educational program. The goal of the District Alignment Committee will be to ensure that each club is placed in a position that will allow it best utilization of that network.

Operating Guidelines

- A. As per Protocol 7.1.D The best interests of the clubs and District are taken into consideration when assigning clubs to Areas.
 - I. Areas consist of four (4) to six (6) clubs; however, an Area may consist of three (3) clubs on July 1 only when an effort to charter a fourth club is in process.
 - II. Under no circumstances may an Area have more than six (6) clubs on July 1.
 - III. Advanced clubs shall not be segregated into Areas.
 - IV. Areas may be segregated by language, subject to the approval of the District Council.
 - V. Districts assign clubs to Areas based upon:
 - a. Geographic proximity to other clubs
 - b. The ability of an Area Director to effectively provide service, without requiring the clubs to change how meetings are conducted to accommodate an Area Director visit
 - c. Club size and strength (e.g., paid, active, disbanding)
 - d. Prospective clubs and expected growth
 - e. The likelihood of eligibility for Distinguished programs (e.g., club base of the Area or Division)
- B. A Division must have a minimum of three (3) Areas.
